**NOTICE REGARDING MEDICAL INFORMATION BUREAU
CONSUMER REPORTS AND CONFIDENTIAL ABUSE INFORMATION**

In considering applications for insurance or claims for benefits, information from various sources must be considered. These include the results of the proposed or active insured's physical examination, if required, and any reports we may receive on the proposed or active insured's physical or mental health from health professionals and health facilities that have information about the proposed or active insured.

In addition, an investigative consumer report may be obtained, based on interviews with neighbors, acquaintances and business contacts, concerning the character, general reputation, personal characteristics, and mode of living of any individuals involved in an application. Upon written request, the Company (Union Security Insurance Company) will furnish detailed information as to the nature and scope of any such investigation, inform you if it was requested, and if it was, also furnish you with the name and address of the reporting agency to whom the request was made. You may inspect and receive a copy of such investigative consumer report by contacting the reporting agency.

Information regarding factors affecting insurability will be treated as confidential and, if found, domestic abuse status will not be used: solely as a basis for denying, refusing to issue, renew or reissue or cancel or otherwise terminate a policy; to restrict or exclude coverage or benefits of a policy; or to charge a higher premium for a policy.

The State of New Mexico has adopted Title 13, Chapter 7, Part 5 effective January 1, 1999 which applies to insurance companies and insurance support organizations that receive and maintain confidential abuse information. This law protects residents who are or have been victims of domestic abuse as defined by law. Although it is not the Company's practice to reveal location information to anyone other than the applicant/insured, in accordance with this law, the Company has set up a program whereby a victim of domestic abuse may, by written notice, request to be a "protected person" in which their location information will not be disclosed to any person other than those directly involved in an application or claim.

We may, however, make a brief report thereon to the Medical Information Bureau, a non-profit membership organization of life insurance companies, which operates an information exchange on behalf of its members. If application is made to another Bureau member company for life and health insurance coverage, or a claim for benefits is submitted to such a company, the Bureau, upon request, will supply such company with any information it may have in its file.

Upon receipt of a request, the Bureau will arrange disclosure of any information it may have in the file of the person making such a request. If the accuracy of the information in the Bureau's file is questioned, the Bureau may be requested to make a correction by following the same procedures as those set forth in the federal Fair Credit Reporting Act. The address of the Bureau's information office is Post Office Box 105, Essex Station, Boston, Massachusetts 02112, telephone number 617.426.3660.

In addition to the brief report described above which we may make to the Medical Information Bureau, we may also release medical information with respect to any physical or mental condition, rehabilitation and other non-medial information in our file to our reinsurer and to other insurance companies to whom application is made for life or health insurance, or to whom a claim for benefits is submitted, but we will not otherwise release information without your further written consent.

If you wish to be considered a protected person, please sign and date below.
