

## VOLUNTARY DENTAL INSURANCE INTEREST SURVEY

Your employer is considering offering a group dental insurance program to all full-time (20 hours or more per week) employees. This program is 100% employee-paid and would be available to you through payroll deduction. A minimum of 20% of eligible employees must enroll to implement the plan.

To help your employer determine the level of interest in the Voluntary Dental plan, we have put together a short employee survey. The plan overview, describing the program currently being considered by your employer, should help you answer any questions you may have. We would appreciate your help by completing the lower half of this form and returning it to: **(Employer Contact Name)** by **(mm/dd/yyyy)**.
