Dear Employee:

Do you know what would happen to your family or financial obligations if something happened to you?

Think about it. How would the car loan or mortgage be paid? How would your spouse maintain or achieve the lifestyle you now have or want? Would your children be well provided for? Would there be funding for their education?

You may already have life insurance. But is it enough to meet all of your needs? A valuable new employee benefit could make all the difference to your loved ones...voluntary term life insurance from Assurant Employee Benefits.
